

**1 103**

**projects**

successfully  
completed  
in 2020

**eba:**

# 3 965

## tons

of fabricated  
steel

which is 0.5 ton  
more than the weight  
of the first Polish  
cable lay vessel  
"Siem Aimery"

eba :

# 38 hectares

of powder  
coated surfaces

we could easily color  
entire area of Mokotów - one  
of Warsaw's districts

**eba:**

**220**  
**tons**

**of engineered  
wood processed**

we could easily build  
5 frame houses out of  
this material

**e b a :**

# 107.5

## km

of electrical wire  
installed

this is around 1/3  
of the distance  
from Krosno  
to Warsaw

eba:

# 50.75

## km

of LED strips  
installed

we could illuminate  
almost the entire route  
from Krosno to Rzeszów  
(airport)

eba:

# 25 499

## shipped

### pallets

that many pallets we  
have used to dispatch  
all goods to our  
clients (in 2020)

eba :

# 2 021

## challenge us

we will handle your  
projects in-house
